

# TAXI PLUG

## Taxi Plug Business

Mobility for companies and hotels in Innsbruck and Tyrol

Your guests, clients and staff should arrive without having to think about the transfer. With a Taxi Plug business account, we take care of it: punctual, discreet and with one dedicated contact.

## Your benefits as a business client

### Priority dispatch

At peak times, such as trade fairs or holiday weekends, we schedule business clients' rides first.

### One monthly invoice

A clear monthly invoice instead of many single payments, with a reference per ride on request.

### Dedicated contact

A personal contact who knows your processes, reachable around the clock.

### Meet & greet

At airports and stations the driver waits in the arrivals hall with a name sign. Flight monitoring and 45 minutes of waiting time included.

### Hotel shuttle

Regular or spontaneous rides for your guests, booked directly by your reception.

### Individual terms

We tailor your offer to your volume and routes, within 24 hours.

## Our vehicle classes

### Comfort

Spacious saloons and estates for city rides and airport transfers.

### Executive

Mercedes-Benz saloons for business travel and special occasions.

### Van

Room for groups, delegations and lots of luggage.
